**To Whom It May Concern,**

**ZOONO – TEST DATA**

Zoono has undertaken over 150 Independent Tests Globally and in UKAS approved labs in the UK in order to support our product claims. Please see a list of relevant certifications that we hold for the EU and UK.

EN14476:2013  
EN14476:2013+A2:2019  
EN14479:2013+A1:2015  
EN1276  
EN1650  
EN13697  
EN14348  
EN13623  
EN13727  
EN13697:30  
PAS:2424  
PAS:2430

Due to current EU and UK National Legislation we are unable to identify or name specific pathogens that we are effective against. We meet the UK and EU standards to be a broad-spectrum disinfectant that is 99.99% effective against bacteria and viruses for extended periods of time.
